Coronavirus
COVID-19

Know the signs

High Temperature

Shortness of Breath

Breathing Difficulties

Cough

For 8 out of 10 people, rest and over the counter medication can help you feel better.

If you have symptoms, self-isolate to protect others and phone your GP. Visit [hse.ie](https://www.hse.ie) for updated factual information and advice or call 1850 24 1850.

Protection from coronavirus. It's in our hands.

XL COV 51

Coronavirus
COVID-19

If you have fever and/or cough you should stay at home regardless of your travel or contact history.

If you have returned from an area that is subject to travel restrictions due to COVID-19 you should restrict your movement for 14 days. Check [hse.ie](https://www.hse.ie) for affected areas or www.hse.ie.

All people are advised to:

Reduce social interactions

Keep a distance of 2m between you and other people

Do not shake hands or make close contact where possible

If you have symptoms visit [hse.ie](https://www.hse.ie) phone HSE Live 1850 24 1850

XL COV 52

Coronavirus
COVID-19

Help prevent coronavirus

Wash your hands

Cover mouth if coughing or sneezing

Avoid touching your face

Keep surfaces clean

Stop shaking hands and hugging

Keep a safe distance

The virus spreads in sneeze and cough droplets, so regularly taking the above measures helps reduce the chance of it spreading.

Visit [HSE.ie](https://www.hse.ie)
For updated factual information and advice

COVER YOUR COUGH
AND SNEEZE THE
RIGHT WAY

DO
Use a tissue and place it immediately in the bin.
Wash your hands or use a hand sanitiser.

DO
Cough or sneeze into your upper sleeve.
Germ won't spread through your clothing.

DON'T
Cough or sneeze into your hands. You'll end up spreading germs to everything you touch.

Protection from coronavirus. It's in our hands.

XL COV 55

Protect yourself and others from getting sick

Wash your hands

after coughing or sneezing

when caring for the sick

before and after you prepare food

before eating

after toilet use

when hands are visibly dirty

after touching cuts, blisters or any open sores

you can use alcohol hand rub, if hands are not visibly dirty

RESIST

XL COV 56

COVER YOUR COUGH
AND SNEEZE

Stop the spread of germs that make people sick

When you cough or sneeze cover your nose and mouth with a tissue

Or

Cough or sneeze into your elbow, not your hands

Throw away your tissue!

Clean your hands after coughing or sneezing.

Thanks!

Protection from coronavirus. It's in our hands.
